

KEIM

KEIM INNOSTAR®

KEIM INNOSTAR - INTERIOR ONE COAT PAINT SYSTEM

KEIM Innostar is an innovative interior paint, with excellent coverage meaning that in the majority of cases only one coat is required, even onto new, unpainted plaster, without the need for undercoats or mist coats.

KEIM Innostar is environmentally friendly, quick and easy to use. KEIM Innostar is free from plasticisers, solvents and preservatives and is practically odour-free so rooms can be occupied quickly after application.

KEIM INNOSTAR®

TECHNICAL INFORMATION

1 Field of application

KEIM Innostar has excellent covering capacity in combination with an outstandingly elegant white colour shade. It is suitable for all interior wall and ceiling surfaces.

KEIM Innostar can be used for new, unpainted or previously painted surfaces and is ideal for large areas. KEIM Innostar has outstanding opacity so that one coat application is almost always sufficient.

2 Product properties

- Ultra-covering
